

Accommodation & Travel Arrangements

Accommodation

During the summer, at Easter and the May bank holidays, hotels across Dorset and particularly in the local Purbeck area become very busy with tourists. Consequently, room rates and availability vary significantly throughout the year.

Visitors to our company are strongly advised to confirm hotel arrangements at the earliest opportunity.

Overseas visitors to Charter Tech

Charter Tech's office is five minutes from Wareham railway station. The hotels listed in Wareham and Poole are a 10 minute taxi journey from a railway station.

Should visitors prefer not to drive, rail transport from the airports at London Heathrow, London Gatwick & Southampton is easily attainable using South West Trains, [click here](#) for timetables.

Rail users travelling on an "Express" train will need to change to a "local" train either at Poole or Bournemouth stations. "Express" or "Intercity" trains do not stop at Wareham railway station. Travellers are advised to check the timetable or ask at the departing station for guidance.
